Why Pearl Meyer Surveys?

Our Commitment to Quality

We are committed to providing you the highest standard of quality reporting. Our rigorous quality assurance process includes:

- + Review of quality assurance reports to help clarify input and identify discrepancies.
- + Thorough cross check of data; comparison to previous years' data; and identification of data outliers.

Secure Data Submission and Confidentiality

The survey is administered using an excel template for the collection of incumbent job data and a secure online questionnaire for policies and practices data. Cyber security is a top priority for all banks, and you can have peace of mind knowing that our secure system ensures that your data will be uploaded into a safe environment and remain confidential. Concerned about the confidentiality of your data and how it's shared in the survey results report?

- + All data is reported in summary form only.
- + No data is reported for any job at any level where there are less than five institutions matching.
- + No institutions' data will represent more than a 25% weighting for any job.
