## Credible

### Who Participates?

Join 60 institutions who rely on our in-depth data to make critical compensation decisions. Our participants represent financial institutions across Florida.

#### Participant Demographics by Asset Size

Participants ranged in asset size from \$105 million to over \$111 billion. The report isolates key metrics by size levels for easy analysis.

If you are a community bank we strongly encourage your participation to increase the depth of the survey data while gaining insight from institutions of similar headcount, asset size, or Florida region.

## Customized

Looking for a snapshot into the pay practices of your peers? Look no further than our comprehensive and objective compensation report.

### Flexible Report Formats

Survey results are easily downloaded from the Pearl Meyer survey client website and available in PDF and Excel. Data in excel gives you the ability to isolate key data points and identify salary trends.

## Why Pearl Meyer Surveys?

### Our Commitment to Quality

We are committed to providing you the highest standard of quality reporting. Our rigorous quality assurance process includes:

- + Review of quality assurance reports to help clarify input and identify discrepancies.
- + Thorough cross check of data; comparison to previous years' data; and identification of data outliers.

### Secure Data Submission and Confidentiality

The survey is administered using an excel template for the collection of incumbent job data and a secure online questionnaire for policies and practices data. Cyber security is a top priority for all banks, and you can have peace of mind knowing that our secure system ensures that your data will be uploaded into a safe environment and remain confidential.

Concerned about the confidentiality of your data and how it's shared in the survey results report?

- + All data is reported in summary form only.
- + No data is reported for any job at any level where there are less than five institutions matching.
- + No institutions' data will represent more than a 25% weighting for any job.
