# 2025 Connecticut Banking Compensation Survey

The Connecticut Banking Compensation Survey can help you attract and retain top talent.

## **Pearl Meyer**

### Pearl Meyer's Connecticut Banking Compensation Survey

The Connecticut Banking Compensation Survey, conducted in partnership with the Connecticut Bankers Association, provides the most detailed data on banking compensation and pay practices available today.

Attract, motivate and retain the best talent with access to the metrics and insight you need to create a well-designed compensation program.

The Connecticut Banking Compensation Survey provides you with a best-in-class compensation information solution, offering you a rare combination of accuracy and affordability. All elements of the employee pay package are collected and reported giving you the information needed to analyze your competitive position and compensation mix from a total compensation perspective.

Survey results validate your compensation strategy and enable you to:

- + View differences in regional Connecticut compensation for each position.
- + Analyze compensation trends by asset size.
- + Understand what incentives are becoming more widespread.
- + Isolate key pieces of data based on your unique needs.

# Comprehensive

You will be assigned a dedicated account manager to walk you through the survey submission process, making it easy to integrate and match your information to our database.

Our account managers have several years of survey experience, ensuring you receive the highest quality of guidance and confidentiality.

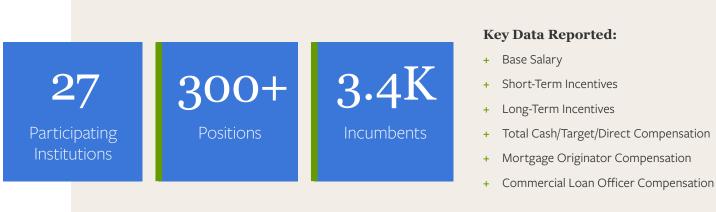

### **Exclusive Insight**

The only inclusive source of insight into what your peers are doing:

- + Short- and long-term incentive plan design
- + Starting hourly rates for Personal Bankers, Universal Bankers, & Tellers
- + Floating Teller pay practices
- + Bank & Teller Turnover rates
- + Salary Structure adjustment budgets
- + Merit increase budgets
- + Mortgage Originator average loan production & compensation
- + Commercial Loan Officer average loan production & portfolio size

### Why Pearl Meyer Surveys?

#### **Our Commitment to Quality**

We are committed to providing you the highest standard of quality reporting. Our rigorous quality assurance process includes:

- + Review of quality assurance reports to help clarify input and identify discrepancies.
- + Thorough cross check of data; comparison to previous years' data; and identification of data outliers.

#### Secure Data Submission and Confidentiality

The survey is administered using an excel template for the collection of incumbent job data and a secure online questionnaire for policies and practices data. Cyber security is a top priority for all banks, and you can have peace of mind knowing that our secure system ensures that your data will be uploaded into a safe environment and remain confidential.

Concerned about the confidentiality of your data and how it's shared in the survey results report?

- + All data is reported in summary form only.
- + No data is reported for any job at any level where there are less than four institutions matching.
- + No institutions' data will represent more than a 25% weighting for any job.
